Dear Student/Youth Leader:

We cordially invite you to attend the **TLS Youth Debate**, hosted by the Tanganyika Law Society ("TLS"), **to be held on Friday October 22, 2010 in the Nyerere Theatre I at the University of Dar es Salaam**. The purpose of the **TLS Youth Debate** is to engage youth in political discussion, while also making them aware of the TLS' mandate and vision for the upcoming General Election.

The TLS recognizes that Tanzanian youth are an important sector in society, especially with respect to the upcoming General Election. Their voice is important and needs to be heard, especially in a democratic and fair society.

Therefore, we ask that you please invite **all youth, between the ages of 18 and 30**, in your organization, to the **TLS Youth Debate**. The motion being debated at the **TLS Youth Debate** will be - ***In the 2010 General Election, will youth participation be an influential factor?*** The debate will be held in Kiswahili.

The Debate will commence at 3:00 p.m. sharp so we ask that you please arrive early to avoid any disruption.

The TLS is playing an important role in the upcoming General Election and will be deploying 200 members to 10 regions across Tanzania to take part in observing the elections. It is our position that the **TLS Youth Debate** will be a critical event for youth and the TLS in setting the tone for the lead up to the General Election.

We look forward to seeing you, and youth of your organization, at the **TLS Youth Debate**.

Yours Sincerely,

Emilia Siwagwa
